JOBS, GROWTH, EXPANSION

Who are We?

The Anbar Business Center (ABC) was formed in May 2010 through the merger of the Ramadi Business Center and the Nahr Al-Ataa Economic Development Organization (Fallujah). ABC provides technical assistance to the business community in the Anbar Province by providing managerial training and business-related services and consultancies. It also provides skill development courses such as English and computer basics to the local community.

Our Mission

The Anbar Business Center (ABC) is a Non-Governmental Organization (NGO) that seeks to further investment opportunities, facilitate job generation and promote small and medium size business start-ups and economic growth in the province of Al-Anbar. ABC provides essential business management courses and services that foster economic growth and prosperity in the province.

Our Vision

- To be recognized as the premier source for training, counseling, and value added services for existing and potential entrepreneurs.
- To build relationships with clients, other business organizations, and government entities to promote synergies to develop the local economy on a sustained basis.
- To be a champion for our clients and the SME sector in all public forums.
- To Build a team, which can create and implement innovative solutions for a dynamic Anbar.

Success Stories :

I heard that ABC was offering classing in "How to Start a Business" and I thought perhaps they could help me to open a hair cutting shop. After the training and business plan consultation ABC helped me complete a loan application from a local microfinance institution. With that loan I opened my hair-cutting shop. My business is so successful that I am planning on opening a second business.
